The purpose of this grant money is to help inspire MTNA National Certification by defraying some of the application costs accrued by OMTA members. To apply for the funds, an OMTA member must fill out this form and have proof of their newly received National Certification (a copy of the letter sent by nationals is sufficient).

Please send the completed form and proof of certification to the Certification Chair (Cathy Thoma-19580 SW Hennig St Aloha, OR. 97006) and she will process the request through the treasurer; a check will then be sent to the person applying. There is a limit to funds available. At this time, \$500.00 is available for OMTA members per fiscal year; each member may apply for \$100.00 grant. Note that when the funds are depleted for the year, there will be no additional grant money added to the fund until the following fiscal year.
