BYLAWS

ARTICLE I – MEMBERSHIP

Section 1. There are three methods for achieving ACTIVE MEMBERSHIP.

- a) **ACTIVE MEMBERSHIP** in the Association may be granted to a person with a baccalaureate degree in music or a two-year music pedagogy certificate from an accredited school, college or conservatory of music. Two years of music teaching is a pre-requisite for application.
- b) **PROVISIONAL MEMBERSHIP** may be granted for members not qualified under part (a). Provisional membership may be held while the applicant qualifies for active membership in one of three ways:

Route I. By completing work for a degree with music as a major from such schools as described in part (a).

Route II. By preparing pupils for OMTA syllabus evaluations as follows:

First Year: Present at least four pupils in two or more levels of syllabus evaluations.

Second Year: Present at least four pupils in three or more levels of syllabus evaluations. In both years the students must participate successfully. The adjudicator will evaluate the work for the teacher and the Membership Chair.

Route III. Teachers with two years teaching experience may enter syllabus evaluations themselves, in lieu of student evaluation. The teacher must pass an upper division evaluation and perform repertoire at that level from four of the five style periods. No previous syllabus evaluations will be accepted. Evaluations must take place during Provisional Membership. The usual fees will be charged.

Provisional Members, upon completion of the requirements for any route to ACTIVE MEMBERSHIP, shall fill out a new application form writing the words “Completed by Route I, II, or III,” whichever is applicable. This application shall be sent to the State Membership Chair. No additional fee shall be charged for the final application. In case the requirements are not met in two years, a request may be made through the District Membership Chair to the State Membership Chair for an extension.

Provisional Members shall not be eligible for any office or voting privilege in the Association. Such members may serve on committees and perform other helpful services as will enhance the aims of the Association. An exception to this rule would apply to newly organized Districts for the first two years after the District is organized.

- c) **ACTIVE MEMBERSHIP through EXCEPTIONAL MERIT** may be awarded as follows: The District Membership Chair may present the qualifications of the applicant to the State Membership Chair. Such qualifications shall include years of study in his/her major instrument or voice, theoretical study, teaching experience and other professional activities.
